The Mission of Cason's Place is to provide peer support in a safe place where children, teens and their families who are grieving the death of a loved one can share their experiences and heal.

Our Approach

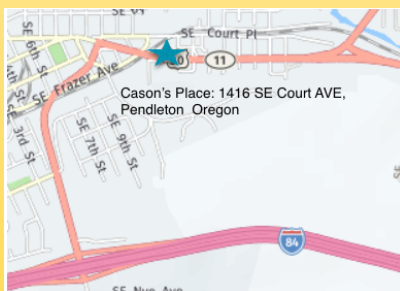

We offer safe peer grief support for all age groups to adjust to and accept the reality of loss in a healthy way.

- We serve children ages 5-8 years and 9-12 years and teens ages 13-18 who have experienced the death of a parent, caregiver or sibling.
- Peer talking rooms are available as well as the use of the art room, volcano room, sand room, theater room and other spaces to work through grief with trained volunteers and facilitators.
- Parents and significant others who have experienced the loss of a spouse or child, have the option of attending adult support groups with trained facilitators, while their children visit with their own groups.
- All services are free.

PLEASE REGISTER for groups at the Cason's Place website www.casonspplace.org by selecting the "Our Services" tab and clicking "Join Our Support Group."

For more information please call **541-612-0828**.
